#### AGENDA

**STACKED AGENDA:** Below is an agenda of all items scheduled to be considered by the Board. Unless otherwise stated, items may be taken out of the order presented on the agenda at the discretion of the Board President. Person(s) who have business before the Board are SOLELY responsible to see that they are present when their business is conducted. The Board may combine two or more agenda items for consideration to accomplish business in the most efficient manner. The Board may remove an item from the agenda or delay discussion relating to an item on the agenda at any time.

**NOTICE:** Reasonable efforts will be made to assist and accommodate physically handicapped person(s) desiring to attend the Board meeting. Please email the Board office at [omboardexecutivedirector@gmail.com](mailto:omboardexecutivedirector@gmail.com) at least 48 hours prior to the meeting so arrangements may be conveniently made.

Public comment at the beginning and end of the agenda may be limited to three minutes per person at the discretion of the President. Members of the public may comment on matters not appearing on this agenda or may offer comment on any specific agenda items. Comments may be discussed by the Board but no action may be taken. The matter may be placed on a future agenda for action.

Additional comment periods may be allowed on individual agenda items at the discretion of the President. These comment periods may be limited to three minutes per person at the discretion of the President. These additional comment periods shall be limited to comments relevant to the agenda item under consideration by the Board.

All times are approximate. Pursuant to NRS 241.030 the Board may close a meeting to consider the character, professional competence, alleged misconduct or physical or mental health of a person. The Board may limit the internet broadcasting while in closed session but may not deliberate or take action.

Anyone desiring additional information regarding the meeting, including information on how to obtain supporting board meeting material is invited to email the Executive Director at [omboardexecutivedirector@gmail.com](mailto:omboardexecutivedirector@gmail.com). Supporting material for the public body is located at 3191 E. Warm Springs Rd, Las Vegas, NV 89120.

Action: Motion carried unanimously

4. ***Approve or disapprove of July 28, 2016 Minutes (For Possible Action).***  
 Motion: Dr. Nagy motioned to adopt the minutes  
 Second: Dr. Link  
 Action: Motion carried unanimously
  
5. ***Approve or disapprove of Chad Bachman as an OMD licensee in Nevada as he has passed his licensee exam. (For Possible Action).***  
 ED advised that Mr. Bachman raised some questions about the about the herbology portion of the exam. Dr. Tracey added that under the advice of the AG, an independent OMD reviewed the questions. When the questions at issue were removed from the exam, Mr. Bachman passed the herbology portion of the exam.  
 Motion: Dr. Mathews motioned to approve  
 Second: Dr. Link  
 Action: Motion carried unanimously
  
6. ***Approve or disapprove of Dr. Setsuko Sage's CEU titled Chow Medical Qi Gong for 8 credits presented by Dr. Effie Chow online (For Possible Action).***  
 Motion: Dr. Link motioned to approve  
 Second: Dr. Mathews  
 Action: Motion carried unanimously
  
7. ***Approve or disapprove of Dr. Setsuko Sage's CEU titled Safe and Effective Chinese Herbal Formulas for Pets for 5 credits presented by Dr. Signe Beebe online (For Possible Action).***  
 M  
 Discussion: Dr. Link raised the question as to whether it was appropriate for the Board to approve CEU's for topics outside the scope of practice for OMDs in Nevada. As Dr. Sage took this course to meet CEU requirements, and this issue has not been clarified, he proposed allowing the number of credits Dr. Sage needed to complete her CEU requirements for this year, but not allowing the balance to carry over to 2017.  
 Motion: Dr. Link motioned to approve for 2 credits as this course pertains to pets, rather than humans, and not allow the balance to carry.  
 Second: Dr. Mathews  
 Action: Motion carried unanimously
  
8. ***Approve or disapprove of Dr. Stephanie Jordan's CEU titled Lab Testing For Fertility Patients for 8 credits presented by Dr. Leslie Oldershaw, L.Ac. online (For Possible Action)***  
 Motion: Dr. Mathews motioned to approve  
 Second: Dr. Nagy  
 Action: Motion carried unanimously
  
9. ***Approve or disapprove of Sunyoung Lee's application and for said applicant to take the licensing examination in December 2016 (For Possible Action).***  
 Motion: Dr. Link motioned to approve  
 Second: Dr. Nagy  
 Action: Motion carried unanimously
  
10. ***Approve or disapprove of Joel Rios' application and for said applicant to take the licensing examination in December 2016 (For Possible Action). \*Please note the Board may go into closed session pursuant to NRS 241 to consider the character, alleged misconduct, or professional competence of Mr. Rios.***

Mr. Rios did not request a closed session. ED advised that upon investigation based upon Mr. Rios' fingerprint results, there is a guilty plea agreement to a gross misdemeanor in District Court from Mr. Rios for taking a vehicle without owner's consent in 2003. Mr. Rios was placed on probation, paid restitution and it was honorably discharged. Dr. Tracey noted that it was 13 years ago and Mr. Rios has gotten his education requirements. Dr. Link stated that he was more concerned that the crime did not involve bodily harm.

Motion: Dr. Mathews motioned to approve

Second: Dr. Link

Action: Motion carried unanimously

**11. Attorney General's presentation on the Open Government Law for board members (Discussion only)**

Brett Kandt discussed the open Government Law.

**12. Discussion of dry needling committee status (Discussion only).**

Dr. Tracey stated that there is a dry needling committee established by NOMA members and other OMDs in Nevada. This committee is not established by the Board. There was an anonymous complaint to Health and Human Services ("HHS") about a dry needling injury. HHS is concerned about infection and the scope of dry needling by physical therapists. HHS is doing its own research and will see if it is appropriate for physical therapists to do dry needling without proper training and the certification process. HHS has sent off questions to the Center for Disease Control and the Food and Drug Administration. The committee is on hold until it gets an opinion from HHS. One of the concerns is about the off-label use of acupuncture needles. The original dry needling needles was with hypodermic needles. Dr. Tracey spoke to Jenelle Lachman, the President of the Nevada physical therapy association. Dr. Tracey said that Ms. Lachman will be sending one more letter to her members about being certified, well trained and cautious about the use of dry needling. HHS is concerned about infection, bruising and damage to tissue. Dr. Yeaji Suh added that clean needle technique in the 7<sup>th</sup> edition of [inaudible] is created for western medicine practitioners and the AMA wants physical therapists to have acupuncture equivalent level of training. She believes that as long as someone is puncturing the skin, they need to have proper training.

**13. Discussion of contract with Board hired attorney (Discussion only).**

Dr. Tracey stated that Mr. Meich was hired to look at Wongu and dry needling issues and the Board is not compelled to use his services if it does not want to. Dr. Link added that Mr. Meich advised the Board not to pursue the dry needling issue. Brett Kandt advised that if this Board wanted to go against the PT Board, it would have to hire outside counsel as the AG's Office would be conflicted out but he would have to run it past the AG's general counsel. Mr. Kandt stated that the legislature would have to decide whether it wants one Board to regulate on this practice or multiple Boards to regulate this practice.

**14. Discussion of legislative session (Discussion only).**

Dr. Tracey wanted to clarify whether it is common to retain lobbyists. Mr. Kandt stated that it is common for regulatory boards to retain lobbyists. Dr. Tracey stated that it would be difficult to add legislation at this point. Dr. Mathews asked whether the prior proposed regulations had to be withdrawn. Mr. Kandt stated that if they were rejected, that is the end of the process unless they were acceptably revised. Dr. Tracey added that

Board members can testify at the legislature. Mr. Kandt stated that it is important to note that you are testifying on your own behalf as unless you have been authorized to speak for the Board on the Board's position. Dr. Tracey stated that she will be watching the bills proposed at the legislature. Dr. Mathews and Dr. Link discussed whether the Board could join NOMA or Wongu in hiring a lobbyist. Mr. Kandt stated that any expenditure for a lobbyist would have to go through the State Contract approval process.

**15. Discussion of unlicensed OMDs (Discussion only).**

Dr. Tracey stated a couple of people are advertising acupuncture but are not licensed. Mr. Kandt stated that the Board can delegate the authority to staff to contact that individual, to issue cease and desist letters or to bring a complaint. Members of the Board cannot investigate but staff or a contracted individual can investigate. Dr. Tracey stated that the Board would want a statistical quarterly report about the number of complaints and resolution about unlicensed activity. Mr. Kandt stated that if certain unlicensed activity resulted in physical harm, it could be a felony.

**16. Discussion of Dr. Maggie Tracey's participation at the Governor's Conference on non-opioid pain management (Discussion only).**

Dr. Tracey stated that the Governor had a conference on non-opioid pain management where she was a panelist. The head of Southern Nevada VA now has 4 acupuncturists on staff and was thinking of adding an acupuncture wing. The Governor's office will be writing a plan of action and looking at Medicaid adding acupuncture services.

**17. Approve or disapprove of the establishment of standardized testing of the Nevada licensing exam to be compliant with NRS 634A.120 (For Possible Action).**

Dr. Tracey stated that when she took the exam, there were many subjective questions on it. Mr. Kandt advised the Board that any regulations would be temporary until the legislative session was over. Dr. Tracey would like the Board to start thinking about changing the exam.

**18. Approve or disapprove of purchasing a new laptop and its related items, a scanner, and Quicken for ED to use for the administration of Board matters (For Possible Action)**

Motion: Dr. Nagy motioned to approve for the purchases to go through State Purchasing, if possible

Second: Dr. Link

Action: Motion carried unanimously

**19. Public Comment (Discussion Only).**

Dr. Suh stated that she wanted to have a natural process on CEU approval so that the practitioners are clear, whether regular meetings can be held, and whether there is a link to sign up to be notified of the meetings. Dr. Tracey stated that practitioners can contact or email the ED to be put on the email list for meetings.

**20. Adjournment (For Possible Action)**

Motion: Dr. Tracey motioned to approve

Second: Dr. Mathews

Action: Motion carried unanimously

Meeting Minutes will be approved at a future Board Meeting.

**NEVADA LEGISLATURE  
SUNSET SUBCOMMITTEE OF THE  
LEGISLATIVE COMMISSION**  
*(Nevada Revised Statutes [NRS] 232B.210)*

**SUMMARY MINUTES AND ACTION REPORT**

---

The seventh and final meeting of the Nevada Legislature's Sunset Subcommittee of the Legislative Commission was held on Thursday, June 16, 2016, at 9 a.m. in Room 3137 of the Legislative Building, 401 South Carson Street, Carson City, Nevada. The meeting was videoconferenced to Room 4401 of the Grant Sawyer State Office Building, 555 East Washington Avenue, Las Vegas, Nevada. A copy of this set of "Summary Minutes and Action Report," the "Meeting Notice and Agenda," and other meeting materials are available on the Nevada Legislature's website at <https://www.leg.state.nv.us/App/InterimCommittee/REL/Interim2015>. In addition, copies of the audio or video record are available through the Legislative Counsel Bureau's Publications Office (e-mail: [publications@lcb.state.nv.us](mailto:publications@lcb.state.nv.us); telephone: 775/684-6835) and may be available online at <http://www.leg.state.nv.us/Granicus/>.

**COMMITTEE MEMBERS PRESENT IN CARSON CITY:**

Senator James A. Settlemeyer, Chair  
Senator Donald G. Gustavson  
William "Buzz" Harris  
Teresa Rankin

**COMMITTEE MEMBERS PRESENT IN LAS VEGAS:**

Assemblyman Glenn E. Trowbridge, Vice Chair  
Senator David R. Parks  
Assemblywoman Irene Bustamante Adams  
Assemblyman Chris Edwards  
Carmen Amen

Ms. Stonefield clarified the term “internal review panel” suggests Board members and people internal to the Board and “independent review process” suggests people from outside.

**MOTION AMENDED:** Assemblywoman Bustamante Adams amended her motion to replace “internal review panel” with “independent review process regarding complaint investigation and resolution.” The motion passed unanimously.

***O. Committee on Dental Hygiene (NRS 631.205)***

Chair Settlemeyer provided background information regarding the history and makeup of the Committee (Agenda Item VI A-1).

**MOTION:** Vice Chair Trowbridge moved to continue the Committee on Dental Hygiene without modification. The motion was seconded by Senator Gustavson and passed. Assemblywoman Bustamante Adams was absent for the vote.

***P. State Board of Oriental Medicine (NRS 634A.030)***

*(This agenda item was taken out of order.)*

Chair Settlemeyer provided background information regarding the history and makeup of the State Board (Agenda Item VI A-1). He reminded the Subcommittee members that when they reviewed the State Board during the 2011–2012 Interim, they recommended continuation without modification. Chair Settlemeyer addressed licensing information and graduation rates (Agenda Item VI A-2). He recalled the 2015 Senate Committee on Commerce, Labor, and Energy and the Assembly Committee on Commerce and Labor addressed more individuals practicing Oriental medicine in the State. Chair Settlemeyer commented that according to Chris Bosse, Vice President of Government Relations, Renown Health, Nevada and Hawaii are the only two states that prohibit physicians trained in acupuncture from practicing acupuncture without an Oriental medicine license and is therefore requesting an exemption for physicians appropriately trained in all other states. He said there is a request from physical therapists to be exempt from Chapter 634A because they feel “dry needling” is different from acupuncture.

Senator Parks remarked that since physical therapy is governed under Chapter 640, today’s recommendations would not include physical therapists or other medical professionals who may use dry needling.

**MOTION:** Senator Parks moved to continue the State Board of Oriental Medicine with the following modifications: (1) physicians appropriately trained in acupuncture do not have to have an Oriental medicine license; (2) send a letter to the State Board of Oriental Medicine recommending that it withdraw the portion of LCB File No. R072-14 that imposes the doctorate requirement, and inform the Legislative Commission of the Subcommittee’s opposition to the proposed regulation; (3) amend NRS 634A to increase the number of members of the Board from the current five to seven and provide that one member of the

Board shall represent a school or college of Oriental medicine located in Nevada, the establishment and curriculum of which is approved by the Board pursuant to NRS 634A.090; (4) amend NRS 634A to provide that the members serve at the pleasure of the Governor, who may remove a member at will; (5) revise NRS 634A.200 to provide that the provisions of the chapter do not apply to physicians licensed under Chapter 630 (“Physicians, Physician Assistants, Medical Assistants, Perfusionists and Practitioners of Respiratory Care”) or Chapter 633 (“Osteopathic Medicine”) of NRS; and (6) require the State Board to submit reports of activities to the Sunset Subcommittee every six months until the 2019 Legislature convenes. Such reports will include minutes of meetings, the examination and licensing of applicants, approval of curricula of any school or college of Oriental medicine located in Nevada, oversight of practitioners, and any other issue as directed by the Sunset Subcommittee. The motion was seconded by Assemblywoman Bustamante Adams and passed unanimously.

***Q. Public Utilities Commission of Nevada (NRS 703.020)***

Chair Settlemeyer provided background information regarding the history and makeup of the Commission (Agenda Item VI A-1).

**MOTION:** Assemblyman Edwards moved to continue the Public Utilities Commission of Nevada without modification. The motion was seconded by Senator Parks and passed. Assemblywoman Bustamante Adams was absent for the vote.

***R. Nevada Transportation Authority (NRS 232.510 and 706.1511), DBI***

See the motion for the Taxicab Authority.

***S. Taxicab Authority (NRS 232.510 and 706.8818), DBI***

***(This agenda item was taken out of order.)***

Chair Settlemeyer said he would like to include a discussion of the Nevada Transportation Authority (NTA) at the same time. He suggested the two entities be combined and placed in their own department with oversight by one person who can be removed at the will of the Governor (Agenda Item VI A-1).

Ms. Rankin shared the history of the TA and cautioned the Subcommittee about the financial difficulties of transitioning from a division to a department.

Vice Chair Trowbridge acknowledged that new individuals hired by the TA are bringing new approaches to handling the issues. He suggested making a move now would be premature and supported leaving things the way they are—but with clear directions for expectations.

## Robert Doane, L.Ac.

[www.doane.us](http://www.doane.us) <sup>[1]</sup>

Robert Doane, L.Ac. and his wife, Anne, started the Acupuncture & Wellness Center, P.S. in Poulsbo, WA, in 1998. The clinic rapidly became the largest private Chinese medical clinic in the State of Washington and at present is also the largest in the United States. Robert holds a Master of Oriental Medicine, is NCCAOM certified in both Acupuncture and Chinese Herbal Medicine, and is licensed to practice acupuncture in the State of Washington. He has lectured extensively on health throughout India, Europe, and the United States. Robert Doane has a passion for sharing keys to practice building with as many practitioners as possible, and to advance the effectiveness and visibility of TCM.

"After seeing Mr. Doane abandoning the standard mirroring and traditional ipsilateral and contralateral concerns to achieve extraordinary results, I decided to immediately implement his techniques at my clinic. The results were astounding. Mapping the pain to the muscle groups as outlined in Kendall's book [Dao of Chinese Medicine] was so useful. One example, is I would treat GB20 pain as GB involvement, now understanding if it is trapezius muscle pain it now is UB involvement. I generally had very good results treating pain before, now I have near perfect results. Also, I respect and commend his persistence in demystifying acupuncture for the professionals and public alike. A very important mission. Thank you." -D.G.

Acupuncture Western Medicine Pain Distance Learning - CEU Video Recording  
Yue Patrick Mok

There is an increasing interest in the general public, as well as the western medical world, regarding acupuncture. The interest is especially focused on the use acupuncture, especially Korean Hand Therapy (KHT), in pain management. These topics are glamorized following media exposure on television talk shows such as on Oprah and Dr. Oz. Dr. Yue Patrick Mok, a distinguished Medical Doctor and Diplomat of Medical Acupuncture with 40 years of experience specializing in anesthesiology, shares a clinician's point of view of acupuncture in the integration of western and eastern therapies. Dr. Mok will introduce the concept of "pain" and the "management of pain", clarify the role of acupuncture treatments in pain management, how to develop acupuncture treatment strategies in pain management, and the role of acupuncture in anesthesia.

Upon completion of this course, practitioners will:

- Understand concept of clinical acupuncture strategies in a step-by-step approach to development of a treatment plan
- Recognize the advantage and disadvantages in different "schools" of acupuncture in the United States to treat pain
- Know how to incorporate different forms of acupuncture in your treatment plans
