Joan Anderson

14 March 2018

Nevada Board of Oriental Medicine

3191 E. Warm Springs Road
Las Vegas, NV 89120

Dear Board of Oriental Medicine,

My name is Joan Anderson. I am a senior intern in my last term at Pacific College of Oriental Medicine in San Diego, CA. Once I complete the current term, I will graduate with a Master of Science in Traditional Oriental Medicine (MSTOM). Additionally, I am a candidate for Doctor of Acupuncture and Chinese Medicine (DACM), also at Pacific College.

The reason for my letter is to request permission to sit for the Nevada licensing exam in December of this year. My training in Oriental Medicine will be completed, with 3,500 hours of instruction.

What I do not have is a prior bachelor's degree. I do, however, have an Associate of Arts degree from Lake Tahoe Community College, where I obtained a total of 147 credits.

It is my hope that you will consider my individual circumstance, having completed far more than required for an A.A. degree as well as receiving a master's and soon doctorate from a WASC accredited institution such as Pacific College.

I would like to request that my issue be brought to the board at the next meeting in April. I will be available to phone in during that time.

Sincerely,

A handwritten signature in cursive script that reads "Joan Anderson". The signature is written in black ink and has a long, sweeping horizontal line extending to the right.
