Re: Proposed Bid

Dear Ms. Lok,

Thank you for considering The Advantage Group to continue to provide investigative services to the Board of Oriental Medicine. We have the requisite experience to provide an excellent product that has the high level of inquiry, accuracy, diligence and integrity required by the Board. These investigations can be completed in nearly every jurisdiction in Nevada.

We have been in business since 1993 and in the past year have performed work for the Chiropractic Physicians' Board of Nevada, Nevada Board of Massage Therapy, and Nevada Board of Veterinary Medical Examiners.

Our proposed investigative hourly rate to the Board is \$65.00 per hour and \$.56 per mile (IRS rate). Note, our standard investigative hourly rate is \$95.00 per hour and \$.65 per mile; however, we have chosen to reduce our rate to state agencies for taxpayers' benefit.
