10/14/21-3/24 2022 | Thursday Evenings: 8-9:30pm Eastern Time

"I live on Earth at present, and I don't know what I am. I know that I am not a category. I am not a thing – a noun. I seem to be a verb, an evolutionary process – an integral function of Universe." – R. Buckminster Fuller

In this class we will examine medicine in the largest possible context.

I am pleased to offer this 12 session course guiding participants through my new text, Deepening Perspectives on Chinese Medicine. In this class we will examine Chinese medicine as an art and science of catalyzing human emergence.

Lonny Jarrett

PRACTITIONER | TEACHER | SCHOLAR | AUTHOR

Lonny is recognized worldwide as a leading practitioner, author, scholar and teacher of East Asian medicine. Throughout his career he has been devoted to advancing the practice of this medicine.

Lonny has been practicing Acupuncture and Herbology in Stockbridge, Massachusetts since 1986. He holds Master's Degrees in Neurobiology (University of Michigan) and Acupuncture (Traditional Acupuncture Institute) and studied Contemporary Pulse Diagnosis with Dr. Leon Hammer for 10 years.

For thirty five years he has been teaching students about the inner traditions of Chinese medicine. He travels extensively to share his experience and knowledge of:

- **Chinese Pulse Diagnosis**
- **Five Element Constitutional Diagnosis**
- **The Spirit of the Points and the subtle nature of herbal medicine**
- **Treating Trauma**
- **Integral Perspectives on Chinese Medicine**

In 1997 he started teaching his two year, Clinical Integration course enriching the field of Chinese medicine by providing integral perspectives rooted in the classical tradition. Over 600 students have participated so far with many taking the class multiple times.

In 1998 he published his first book ***Nourishing Destiny: The Inner Tradition of Chinese Medicine***, which has now become a classic in the field. Equating health and open awareness and illness with habitual

medicine. The text is grounded in the Classics and extends their view into contemporary clinical practice.

In 2003 Lonny published his second book ***The Clinical Practice of Chinese Medicine***. This work explicates how to achieve the core value system at the heart of Nourishing Destiny in the treatment room. All treatment paradigms are fully elaborated to allow immediate integration into the clinic.

His third book, ***Deepening Perspectives on Chinese Medicine*** is in production and expected in April 2021. In this new text Lonny views Chinese medicine through an integral and developmental lens.

"I know of no other person in our field who has unified the thought of Sri Aurobindo, Ken Wilbur, Zhuang Zi, and great physicians such as Sun Si-Miao so seamlessly. Perhaps at last, the Huang Di/Yellow Emperor can be said to have engaged Western thought in full. This work deserves our full attention and commitment, so that we may add our insights for the coming era as well and bring Chinese medicine to full fruition as a world medicine par excellence."

-Z'ev Rosenberg, 醫

Lonny moderates NourishingDestiny.com, an online professional community of 3k+ practitioners of Chinese medicine. The community is dedicated to evolutionary, ecological, and integral perspectives on Chinese medicine.
