To Whom It May Concern:

This is a statement regarding charges that I plead guilty to in May 2006. I was 19-years of age at the time, and in Lake Havasu, AZ on vacation. I was charged with underage consumption of alcohol. I was taken to a holding facility, until bail was paid. I then returned for court on May 25, 2006 where I plead guilty to the charges. I was made to pay a fine of \$450, which I did over several small payments. The case was closed on August 15, 2006 and purged on April 26, 2013. This case is under my maiden name (Hamric). Below is the information for the court associated with this charge.
