Acupoint Regenerative Therapies

Salt Lake City, Utah 24 PDA's. June 23-25, 2023

This course covers safety, injection protocols and techniques of regenerative therapies. Participants will engage in brief patient assessment, then perform & receive injections. We will discuss and utilize injectable homeopathic, vitamin's, minerals, local analgesics and other similar substances along with what types of supplies are available to utilize with these procedures in practice, including where to acquire medical products and injectable solutions.

Participants will engage in hands on palpation and assessment of muscle, soft tissue & joint issues, identifying Ahaqi & Trigger points, Acupoint, Perineural, then perform & receive injections. Additionally, Homeopathic and Intradermal techniques for constitutional issues & topics such as infertility, labor support, ear injections, Intradermal and related regenerative therapies. Participants will learn emergency use of Oxygen and Epinephrine and acquire knowledge, skills and ability to utilize injectables immediately in their practices.

**A complementary starter kit of injection supplies will be included so you can begin using injections upon returning to your clinic.

Space is limited.
